Please note:								
The minimum initial investment for each Resolution Capital Fund is \$25,000 and the minimum additional investment is \$5,000.								
A switch operates as a withdrawal of units in one fund and the investment of units in the other fund and therefore may have taxation implications.								
There is no switching fee applicable. However, a buy/sell spread will apply at the time of the switch.								
Switch requests received prior to 12:00pm (Sydney time) on a business day are deemed to be received that day, requests received after 12:00pm (Sydney time) are deemed to be received the next business day.								
A 100% switch out of a fund is equivalent to a full redemption and your account for that fund will be closed.								
If the remaining balance in a fund is below \$25,000 after the switch, we may treat the withdrawal request as being for your entire investment in that fund.
